

DUAL Specialty Healthcare expands product offerings and partners with top-rated carrier

Expanded coverage and strategic carrier partnership reinforce DUAL's commitment to the evolving needs of the healthcare sector.

May 5, 2025

DUAL North America ("DUAL") today announces it is deepening its commitment to the healthcare sector with an expanded Specialty Healthcare offering. This now includes inpatient and residential facilities, emergency ambulance, and excess coverage solutions. This timely expansion arrives as healthcare providers face increasing operational and liability risks in a rapidly shifting care landscape.

The expanded program now provides tailored coverage for a wide range of healthcare operations—including allied and non-standard professionals, facility-employed physicians, inpatient and residential care centers, and emergency service providers. Designed to meet the industry's real-world challenges, the program offers responsive service backed by deep underwriting expertise.

To reinforce its long-term commitment, DUAL Specialty Healthcare has partnered with an AM Best A rated (Excellent) carrier, ensuring the financial strength, dependability, and confidence clients expect.

Dwain Chamberlain, Head of Specialty Healthcare at DUAL, commented, "This expansion aligns with our mission to provide comprehensive insurance solutions that address the specific challenges faced by healthcare facilities today. Our partnerships with this top-rated carrier reinforces our commitment to delivering quality and value to our clients."

With expanded capacity, proven expertise, and innovations on the horizon, DUAL North America remains a trusted partner for healthcare providers—offering innovative products, industry insight, and reliable protection across one of the nation's most critical sectors.
